DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John V. Biernacki on Aug. 20, 2004.

The specification has been amended as follows:

In claim 12, line 21, **delete** , **insert** ;

wherein the data in the block is written to a temporary directory if the block contains a clean-up program.

In claim 13, line 2, **delete** ~~writing the data in the block to a temporary directory if the block contains a clean-up program; and~~

The following is an examiner's statement of reasons for allowance:

Claims 1-25 are allowable over the prior art of record because the prior art of record fails to teach or fairly suggest that writing a block containing a clean-up program to the output file if the destination information corresponds to a temporary file as argued by the applicants in the response received on June 4, 2004, pages 1-2.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
